RedSky Mobility Solutions, LLC provides software as a service to the mobility, relocation, transport, warehousing and logistics industries through its website.

Service Provider Collection/Use

RedSky collects information under the direction of its Clients, RedSky has no direct relationship with the individuals whose personal data it processes. RedSky works with its Clients to help them provide notice to their customers concerning the purpose for which personal information is collected.

We process the following types of personal information on behalf of RedSky User Companies who collect them from their Clients:

- Names
- Addresses & Other Contact Information
- Employer
- Passport Details (for customs clearance, visa/immigration processing)
- Travel Itineraries
- Other Personal Information required for processing of moving, relocation and mobility
- Related services

RedSky User Companies do not collect personal information about individuals except when such individuals specifically provide such information on a voluntary basis. For example, a customer may provide name, address, telephone and other personal contact information in relation to the shipment and customs clearance of their goods from one location to another.

Choice

We process information for our clients, if you are a customer of one of our Clients and would no longer like to be contacted by one of our Clients that use our service, please contact the RedSky User Company that you interact with directly. If you are a Client

and would like to update your account, please contact us by e-mailing support@redskymobility.com.

Service Provider, Sub-Processors/Onward Transfer

RedSky User Companies may transfer personal information to companies that help them provide their service. Transfers to subsequent third parties are covered by the provisions in this Policy regarding notice and choice and the service agreements with our Clients.

Access To Data Controlled By Our Clients:

RedSky acknowledges that you have the right to access your personal information. RedSky has no direct relationship with the individuals whose personal data it processes. An individual who seeks access, or who seeks to correct, amend, or delete inaccurate data should direct their query to the RedSky Client (the data controller). If the client requests RedSky to remove the data, RedSky will respond to their Client's request within 30 business days.

Upon request, RedSky will provide you with information about whether we hold any of your personal information. You may access, correct, or request deletion of your personal information by logging in to your account, or contacting us at support@redskymobility.com. We will respond to your request within a reasonable timeframe.

Data Retention

RedSky will retain personal data we process on behalf of our Clients for as long as needed to provide services to our Client. RedSky will retain and use this personal information as necessary to comply with our legal obligations, resolve disputes, and enforce our agreements.

Security

The security of your personal information and our clients' information is important to us. When you enter sensitive information (such as login credentials) we encrypt the transmission of that information using secure socket layer technology (SSL). We follow generally accepted standards to protect the personal information submitted to us, both during transmission and once we receive it. No method of transmission over the Internet, or method of electronic storage, is 100% secure, however. Therefore, we

cannot guarantee its absolute security. If you have any questions about security on our Platform, you can contact sgupta@redskymobility.com.

Tracking Technologies

Cookies

A cookie is a small text file that is stored on a user's computer for record-keeping purposes. We use cookies on this Platform. We do not link the information we store in cookies to any personal information you submit while on our Platform.

We use both session ID cookies and persistent cookies. We use session cookies to make it easier for you to navigate our Platform. A session ID cookie expires when you closes your browser. A persistent cookie remains on your hard drive for an extended period of time. You can remove persistent cookies by following directions provided in your Internet browser's "help" file.

We use cookies to enhance your user experience when using our site. For example, your language preference may be stored so that you do not have to select it each time you visit the site.

RedSky and its partners use cookies or similar technologies to analyse trends, administer the website, track users' movements around the website, and to gather demographic information about our user base as a whole. You can control the use of cookies at the individual browser level, but if you choose to disable cookies, it may limit your use of certain features or functions on our website or service.

Choice

Advertising

As described in this Privacy Notice, third parties on our digital properties may use cookies and similar tracking technologies to collect information and infer your interests for interest-based advertising purposes. If you would prefer to not receive personalized ads based on your browser or device usage, you may generally express your opt-out preference to no longer receive tailored advertisements. Please note that you will continue to see advertisements, but they will no longer be tailored to your interests.

To opt-out of interest-based advertising by participating companies in the following consumer choice mechanisms, please visit:

- Digital Advertising Alliance (DAA)'s self-regulatory opt-out page (<http://optout.aboutads.info/>) and mobile application-based "AppChoices" download page (<https://youradchoices.com/appchoices>)
- European Interactive Digital Advertising Alliance (EDAA)'s consumer opt-out page (<http://youronlinechoices.eu>)
- Network Advertising Initiative (NAI)'s self-regulatory opt-out page (<http://optout.networkadvertising.org/>).

Analytics / Log Files

As is true for most web sites, we gather certain information automatically and store it in log files. This information includes internet protocol (IP) addresses, browser type, internet service provider (ISP), referring/exit pages, operating system, date/time stamp, and clickstream data.

We use this information, which does not identify individual users, to analyse trends, to administer the site, to track users' movements around the site and to gather demographic information about our user base as a whole.

We do not link this automatically-collected data to personal information. IP addresses are tied to personal information to describe the purpose for which you do this.

Material Change

We may update this privacy policy to reflect changes to our information practices. If we make any material changes, we will notify you or our Client by email (sent to the email address specified in your account) or by means of a notice on this Site prior to the change becoming effective. We encourage you to periodically review this page for the latest information on our privacy practices.

Disclosure Of Information For Law Enforcement

We may also disclose personal information as required by law, such as to comply with a subpoena, or similar legal process when we believe in good faith that disclosure is necessary to protect our rights, protect your safety or the safety of others, investigate fraud, or respond to a government request, to any other third party with your prior consent to do so. If RedSky is involved in a merger, acquisition, or sale of all or a portion of its assets, you will be notified via email and/or a prominent notice on our Website of any change in ownership or uses of your personal information, as well as any choices you may have regarding your personal information.

Privacy Compliance

Our Privacy Policy is compliant with Privacy Shield. In order to demonstrate that our Privacy Policy conforms to the above privacy instrument, we have voluntarily committed to a self-assessment procedure.
